I. Sources of Trade Secret Law .................................................................................. 3
   A. Common Law .................................................................................................. 3
      1. Law Developed from Tort Law .................................................................... 3
   B. Uniform Trade Secrets Acts ........................................................................... 3

II. Definition of a Trade Secret.................................................................................... 3
   A. Common Law.................................................................................................. 3
      1. Prior to 2004, Pennsylvania Followed the Definition of a Trade Secret Set Forth in the Restatement of Torts § 757, Comment b (1939), which Provides ........................................................................ 4
      2. “Novelty” not Required in a Patent Sense ................................................. 4
      2. The PaUTSA Applies Only to Misappropriations that Occur after the Effective Date of the Statute, April 19, 2004 .................................. 4

III. Establishing the Existence of Trade Secret.......................................................... 4
   A. Basic Elements under the Restatement Definition ........................................... 4
   B. Under the Common Law, Courts Considered the Following Factors............. 5
      1. The Extent to which the Information is Known Outside of the Owner’s Business ........................................................................ 5
      2. The Extent to which it is Known by Employees and Others Involved in the Owner’s Business ............................................................. 5
      3. The Extent of Measures Taken by the Owner to Guard the Secrecy of the Information .................................................................... 5
      4. The Value of the Information to the Owner and to His Competitors ......... 5
      5. The Amount of Effort or Money Expended by the Owner in Developing the Information ............................................................. 5
      6. The Ease or Difficulty with which the Information could be Properly Acquired or Duplicated by Others ........................................................................ 5
   C. Examples of Trade Secrets under the Common Law ....................................... 5
      1. Formulas for Chemical Compounds, Processes for Manufacturing Goods, and Patterns for Machines or Devices .......................... 5
2. Cost, Pricing, Profit Margin Data, and Overhead Calculations have been Held to Qualify as Trade Secrets .................................................. 5
3. “A Trade Secret may be No More than a Slight Mechanical Advance over Common Knowledge and Practice in the Art ............... 5
4. The Fact that Individual Pieces of the Information may be Available to the General Public ................................................................. 5
5. Customer Lists have been Found to be Trade Secrets....................... 6

D. PaUTSA Elements ........................................................................................ 6
1. Derives Actual or Potential “Independent Economic Value”............... 6
2. “…Not Being Generally Known to, and not Being Readily Ascertainable by Proper Means................................................................. 6
3. In S.I. Handling Sys., Inc. v. Heisley, 753 F.2d 1244, 1256 (3d Cir. 1985), the Court of Appeals for the Third Circuit Stated...................... 7
4. “…Other Persons Who can Obtain Economic Value from its Disclosure or Use…”............................................................................. 8
5. “… Efforts that are Reasonable under the Circumstances to Maintain its Secrecy…” ................................................................. 9

E. Other Principles............................................................................................. 9
1. Whether Information Constitutes a Trade Secret is a Question of Fact for the Fact Finder ................................................................. 9
2. A Worker’s Aptitude, Skill, Dexterity, Manual and Mental Ability, and Subjective Knowledge Gained in the Course of Employment are not Trade Secrets ............................................................................. 9

IV. Trade Secret Misappropriation........................................................................ 9
A. Elements of Trade Secret Misappropriation under the Common Law ...... 9
1. Under Pennsylvania Common Law, the Prima Facie Elements of the Tort of Misappropriation of a Trade Secret..................................... 9
B. Elements of Trade Secret Misappropriation under the PaUTSA ........... 10
1. Misappropriation as Defined in 12 Pa.C.S. § 5302 ............................... 10
2. The Concept of “Use” has been Expanded under the PaUTSA .......... 10
3. The PaUTSA Position Follows the Modern Theory ........................... 10

V. Remedies and Damages.................................................................................. 10
A. Types of Injunctions Issued by Courts........................................................ 10
1. A Production Injunction Completely Bars the Defendant from Manufacturing ................................................................. 11
2. A Use Injunction, on the Other Hand.................................................. 11
3. The Trial Court has Wide Discretion in Determining the Proper Scope ..................................................................................... 11
B. Injunctive Relief under the PaUTSA, 12 Pa.C.S. § 5303 ...................... 11
1. Actual or Threatened Misappropriation may be Enjoined ................. 11
2. Period of Injunctive Relief .................................................................. 11
3. “Exceptional Circumstances”............................................................... 11
4. “Affirmative Acts Compelled by Court Order” .................................. 11
5. Pursuant to the PaUTSA, a Plaintiff may Seek Injunctive Relief for “Actual or Threatened Misappropriation”............................... 11
6. The PaUTSA Provides that a Court may Issue an Injunction
7. The PaUTSA Authorizes a Court to Impose a “Reasonable Royalty”

C. Compensatory Damages
   1. Common Law
   2. Damages, PaUTSA, 12 Pa. C.S.A. § 5304

D. Exemplary Damages
   1. Under Pennsylvania Common Law, Courts and Juries were not Provided with Any Specific Guidance
   2. The PaUTSA Permits a Court (Rather than a Jury) to Award Exemplary

E. Attorneys’ Fees, 12 Pa.C.S. § 5305
   1. The PaUTSA as Adopted by Pennsylvania also Provides

VI. Statute of Limitations
   A. Prior to the Enactment of the PaUTSA, the Statute of Limitations
   B. The PaUTSA Rejects the Prior Law in Pennsylvania

VII. Preservation of Secrecy, 12 Pa.C.S. § 5306
   A. Under the PaUTSA, a Court shall Preserve the Secrecy

VIII. Existence of a Confidential Relationship, Common Law Concepts
   A. Liability for Misappropriation of Trade Secrets Attaches
   B. “An Employee’s Duty not to Use or Disclose His Employer’s Trade Secrets
   C. An Employee Cannot Use or Disclose Trade Secrets
   D. Espionage, Fraudulent Misrepresentations to Induce Disclosure
   E. The Standard of Conduct which is Improper

IX. Inevitable Disclosure
   A. The Owner of Trade Secrets will Often Seek to Enjoin a Person
   B. The Inevitable Disclosure Theory Gained Popularity
   C. Pennsylvania Courts have not Explicitly Adopted the Inevitable Disclosure Doctrine
   D. The Third Circuit has Predicted that Pennsylvania Courts will Adopt the Inevitable Disclosure Doctrine

X. Protecting Trade Secrets
   A. General Measures
      1. Restricting Access to Proprietary Information
      2. Marking Proprietary Information with “Confidential” Legends
      3. Shredding and Destroying All Discarded Proprietary Information
      4. Utilizing Employment Agreements which Require that Employees Maintain the Secrecy
      5. Restricting Access to the Employer’s Facility
      6. Keeping Higher Level Proprietary
      7. Investigating All Possible Misappropriations of Confidential Information
   B. External Measures
      1. Nondisclosure and Confidentiality Agreements
2. Level of Secrecy and Steps Taken to Maintain Trade Secrets ............ 16

C. Internal Measures ........................................................................................................ 16
   1. Employment Agreements ....................................................................... 16
   2. Employee Manuals ............................................................................. 16
   3. Education ............................................................................................ 16
   4. Policies and Procedures to Make Sure People “Know or have Reason to Know” ................................................................................. 16

D. Ethical Considerations .......................................................................................... 16
   1. What to Do if Company Innocently Acquires Information ................. 16
   2. Where is the Line for having a “Reason to Know” that Information.. 16
